

4th of July info – on Samish Island

It's time to plan for the 4th of July Parade celebrations!
Is your float ready???
Or are you watching this year?

Parade Start Time: 1:00pm

Float & Band Line up: NOON

Meet by the laminated signs down at Fish Point, the turnaround point at the end of Blue Heron Road by the Community Garden. The floats and parade entrants will stage up just beyond the gate. Parade masters will be at the gate to direct you/stage the parade; thank you Jerry Sells & Howard Armstrong. A Big Thank You, once again, to Jim Franck for being such a generous community supporter!

Road down the hill closes: 12:30 pm

Parking:

Parking is available in the Community of Christ Field on Blue Heron Road until 7:00pm. Please make sure the field is clear of all cars by then and a reminder that there is no alcohol consumption allowed on the church property. Another Big Thank You for their on-going community support!

Some people prefer to park behind the tennis courts at the county park and walk down.

Shopping: before the parade!

The Garden Club will have Samish Island Hats, Bags, T-Shirts, Cards, Tide Charts, Directories, and license plate holders for sale in front of the Community Center. Proceeds & donations support your island community center and garden club.

From the Fire Chief:

In order to protect the many pedestrians walking to the parade, a Skagit County Sheriff's Deputy will close off the Halloran Rd. and Blue Heron Rd. intersection down to the beach at about 12:30 pm as in years past. The road will reopen as soon as the road down is clear of pedestrians and vehicles coming up. It is usually open by about 2:30 pm. Please try and get the word out so physically challenged visitors will not be forced to delay their trip to the beach.

Please remind everyone to be very careful with open fires and fireworks. Be alert for smoke in fields or woods from fireworks. Please be respectful of your neighbors who must get up early to work each day. Please be watchful for children and pets who might dart across roads unexpectedly. Thank you for your support for your Fire Department Volunteers.

Mike Collins
Samish Island Fire Chief

We hope to see you there!
