SHORELINES SURVEY:

This past year, the ShoreLines was not delivered in print version to households, but was available online through the e-mail lists, on the SamishIsland.net web site, and a few printed copies outside the Community Center. This was a trial, and the SICC would now like some feedback on your preferred ShoreLines delivery method. Please rank the 4 options below in order of your preference:

- ___ Via e-mail from the Samish Neighbors e-mail list
- ___ Go to web site (SamishIsland.net)
- ___ Paper copy delivered to my house's newspaper box, or special tube
- ___ Paper copy mailed to me (I am providing 12 addressed/stamped envelopes.)

Thanks for your support of the Samish Island Community Center, Inc. (SICC)

If you'd like to make any comments, suggestions, include an on-Island business in the Directory, etc. - please write on the back of this sheet.
