President's message

Our September potluck was a wonderful way to kick off the fall season. It was a great community gathering - thanks to **Chuck Davis and Nancy Olsen** for furnishing the salmon and to all who provided tasty side dishes to accompany the fish. More than 80 folks attended – welcome to the many new to the Island.

A brief discussion was held regarding Samish Island security relative to illegal fireworks. If you have comments or concerns to share on this issue, please communicate directly with me or another member of the board. (Our contact numbers are listed on the bottom of this newsletter).

It is not too early to begin thinking about your how you might share your talents at the annual Christmas party. More information about the party will be forthcoming.

Finally, remember to drive slowly and carefully – watch for all those who share the road with you, especially as the days get shorter. If you need a reflective safety vest, let me know!

See you on the island, Jerry
