.....*President's message*

The September Potluck was a wonderful way to begin the fall season for our Samish Island community. A huge thanks to **Chuck Davis** for again providing barbecued salmon. Thanks, also, to all who brought tasty dishes to accompany the fish. The potluck also provided the opportunity to welcome a number of new Samish Island neighbors.

Mike Collins spoke of the need to continue to be careful with outdoor fires. He also encouraged folks to consider volunteering with the Samish Island Fire Department. Encouraging island residents to become more involved, **Jeanne Brovold** provided an update on the Samish Island Community Garden.

Christmas is closer than you might think – it's not too early to consider sharing your talent at the annual Christmas program (more details later).

Remember to drive slowly and carefully – watch out for those who share the road with you. If you need a reflective safety vest, let me know. Coupons are currently available for \$1 off the \$5 regular price.

See you on the island, Jerry

S.I. Acres –Community Garden on Blue Heron Rd has donated, (with the help of S.I neighbor's garden excess) almost 1,800 lbs. to Food banks in Skagit County since spring harvesting began! Come join us **Monday, October 10th, 6:30 pm** at the Scott Rd Social Hall, Community of Christ Church, meeting begins with a 'harvest' potluck theme.

It has been a year since our neighbor, **Tim Rosenhan** unexpectedly passed away. However, on Saturday, Sept 17th, Tim was posthumously honored as the first recipient of the Annual Leadership Award presented by the Port of Skagit. Those of us present witnessed a remarkable Fly By in a WWII T-6 Texan. We miss our neighbor Tim and thankfully his remarkable legacy continues.

The Edgewater Garden Club will meet **Thursday October 27**, at the SICC on Blue Heron Road. The social and coffee begin at 10:00 a.m. At 10:45 a.m. our program begins with **scientist-author Jim Walker**, retired WSU theoretical physics professor. He will present a lively and informative program about the facts, folklore and fables in the world of dragonflies. He will share slow-motion videos and tips on how to coax a dragonfly to perch on your finger. *Check out his blog: <http://thedragonflywhisperer.blogspot.com>*
