OCTOBER 2017

President's message

Thank you to the MANY islanders who attended the SICC Fall Salmon BBQ & Potluck to commemorate Chuck Davis. It was an impressive turnout and a tremendous time! Working with Catherine Davis, the SICC board has decided to install a gas fireplace insert at the Community Club in Chuck's honor. The estimated cost is \$5000. About \$2000 has been raised/pledged to date.

If you want to participate in funding this project, please send your tax-deductible donations, (writing "Chuck Davis" in the memo line) to SICC, PO Box 268, Bow, WA 98232. If we raise more funds than are needed for this project, any excess funds will be applied to additional improvements. Thank you for your generosity in support of this project.

Looking Ahead: The next community potluck is Sunday, Jan 14, 2018 at 5 pm. Mark your calendars.

A note from **Samish Island Campground--Community of Christ:** We are privileged to share our beautiful island and wonderful community with hundreds of people. The staff thanks our neighbors for your patience, when that was required, and for adhering to the guidelines we have for using the campground as a place for exercise and meditation by our neighbors. As a reminder those guidelines are: Please use the entrances to the walking paths located at the end of Scott Road and by the Community Garden. All dogs must be on a leash at all times and owners are responsible for removal of feces. The playground on the campground is only available to islanders when a camp is not in session, which can be determined by the sign at the campground main entrance. There is no hunting, swimming, picnicking or campfires allowed. Please remove all trash. Thank you again Samish Islanders; it has been a good year.

Edgewater Garden Club invites you to join us for our regular meeting on Thursday, **October 26th**. The program is about **Mulch**. Local Landscape Architect Ian Horton will describe the basics of mulch and mulching for the home gardener. He will review background, benefits, and methods of mulch application as well as a comparison of locally available mulch types and their respective advantages. We gather at 10 am for treats and conversation; the meeting begins at 10:30. All are welcome

Samish Island Acres – Community Garden News: We'll be harvesting on Thursdays, Oct 5 & 12. If you have extra fruit/produce, please bring it to the Garden at the end of Blue Heron Road and we'll transport to the Food Bank. **We need dried leaves!** Please drop off your bags of leaves at the south compost bin. Work party: Sat, Oct 28, 9 am – noon. Next potluck is 6:30 pm on Mon, Oct 23 at Community of Christ social Hall on Scott Road – theme is "casseroles."
