President's Message:

The season has turned, and now that the fall equinox has passed, days seem to be shortening quickly. Keep an eye out for deer on the road, as well as people and pets, especially during dusk, dawn, and dark hours. It was wonderful to see both new and familiar faces at the recent SICC salmon bake and potluck; the next one will take place on **January 11th**. The next few months will be filled with SICC-sponsored activities, including the annual Halloween party, three focus groups, bingo, and the annual holiday party.

For a complete list of upcoming events, visit our website at <https://samishisland.net/>.

Keep your ideas rolling in for the kinds of educational and social activities you'd like to see!

See you around the island, Amy

Focus Groups will take place at the Community Center from **7 - 8:30 p.m.** on the following dates and will be facilitated by Board Members.

Session 2 - Thursday, Oct. 23: *Local Environment Concerns (including tides/flood control, climate changes, Skagit Land Trust)*

Session 3 - Monday, Oct 27: *New Island Event Possibilities*. If one (or more) of these sounds interesting to you please plan to join us. Samish Island Halloween Party at the

Community Center will be **Sunday, October 26th from 6 - 7:30 pm**. This spooky Halloween Party is fun for our Samish Island community, has crafts for

the children, games and the cakewalk! If you'd like to donate, bake, set up or clean up, please email: tamaraingram08@gmail.com. A few needed items for this year's crafts are candy, colored--regular sized paper (purple, green, blue black, white, orange) for crafts and kids scissors. And on the day of, donated baked items for the cakewalk. Don't forget to wear your costume!

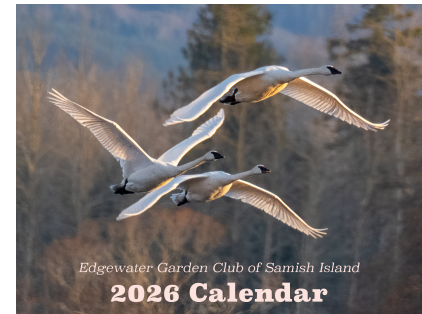

Edgewater Garden Club meets Thursday, October 23rd. Coffee and socializing start at **10 a.m.** with announcements at **10:30**, the program begins **10:45**:

Getting Your Garden Ready for Winter and Beyond... Things to Consider, presented by **Diana Wisen**, Skagit Master Gardener. Early fall is an excellent time to

assess your landscape and think about the months ahead. Has it been a good year and you want to keep most things the same? Or maybe it's time to make some changes in an area or two. Rejuvenate or renovate? Or perhaps your garden "to-do" list is mostly maintenance tasks and you are trying to decide which to tackle first. This talk will give you a nudge in the direction you chose. All are welcome!!

Edgewater Garden Club will be selling a **Samish Island calendar** at this

meeting and at the Holiday Kick-off on December 6th. The calendar features photos of Samish Island, phases of the moon, and 23 king tide notifications. The cost is \$15.

Samish Island Acres Community Garden is celebrating a banner year. Thanks to all who have volunteered, many who have provided excess fruit and vegetables from your trees and gardens, and those who have supported our efforts financially. We still have a bit more to harvest, but our total this year is **5445 pounds!!!** Thanks again for a record-breaking year!

Just a heads up that **Cars** (and trucks and motorcycles) and **Coffee** will return again to the SI Community Center parking lot **Monday, October 20th, 9-**

10:30 a.m., weather permitting. Bring your cars, trucks, bikes that are special and have a good story to tell! Coffee and espresso will be available. All interested islanders are invited to join in the conversations and grab a cup of morning brew!
