The board is looking forward to creating a 2026 filled with community-building, social, and educational opportunities for island residents. If you have ideas for events, would like to run your own, or want to bring your energy and perspectives to the community, ask about Board and volunteer opportunities. I look forward to seeing you at upcoming events! You'll always find up-to-date details on our website at www.samishisland.net and in the ShoreLines. See you around the island!
